

TCI Gold-Sponsored the CII National FMCG Summit 2015 held at New Delhi

National FMCG Summit 2015 was organized by Confederation of Indian Industry (CII) was held at Hotel Taj Mahal, New Delhi on 21st December, 2015. The FMCG & Logistics industry mega champions participated in the Summit and also shared their views on 'Re-imagining FMCG in India'.

The Indian business landscape is undergoing an unprecedented evolution. Dynamism in business is not just a buzzword anymore; it is critical for the survival of industry behemoths as well as experimental start-ups. It will, therefore, become imperative for consumer companies to fundamentally transform themselves in this environment – and that requires not minor tinkering in their way of working – but about Fundamentally Redefining FMCG.

Transport Corporation of India Limited (TCI), leaders of integrated multimodal logistics & supply chain solutions provider as a part of its continuous accomplishments gold sponsored the event and also participated in the Summit in order to capture the learnings and implement them.

Mr. Jasjit Sethi, CEO, TCI SCS (provider of integrated logistics & supply chain solutions) and the Key Speaker for TCI Group participated in the panel discussion for one of the session and gave noteworthy remarks on '**Winning organizations: Building people and talent capabilities**'.
